

COUNCIL MINUTES
SPECIAL CALLED MEETING
FEBRUARY 27, 2012

Mayor Timothy Cooner was not present at this meeting

Mayor Pro Tem Miller was in charge of the meeting

Mayor Pro Tem Miller called the meeting to order with the Pledge of Allegiance followed by a silent Prayer

Mayor Pro Tem Miller stated that last meeting we voted for Mayor Timothy Cooner to be our coordinator for the new construction of the Town Hall and since there were only three Council members here at that time we found that we were in violation and our votes did not count

We came up with the salary of 25.00 per hour for the coordinator position and it will be advertised in the paper

We must vote with a majority and we only had three Council members present at the last meeting

The Mayor will supervise the entire project and report back to us once a week

We need someone to put that in the form of a Motion

Councilman Chris Ott made the Motion for Mayor Cooner to be the coordinator

Councilman Tom Jennings seconded the Motion

Motion Carried

Councilman Tom Jennings made the Motion for 25.00 per hour to be the pay for this job

Councilwoman Amy Bryant seconded the Motion

Motion Carried

Councilman Tom Jennings said we don't need to advertise for 10 days and that Saturday and Sunday would be enough time and also put it on the Marquis

Councilman Jennings made the Motion to advertize Sat. and Sun. and give 10 days for people to respond and to also include the amount of pay in the paper

Councilman Chris Ott seconded the Motion

Motion Carried

Councilman Tom Jennings said we need to put in the Minutes that after the last meeting we spoke with the Ethics Commission and MASC and they said it would be best to have this meeting and vote again because there were not enough votes at the last meeting

Councilman Tom Jennings then said he needed to ask about when the Mayor's pay would start, are we going to start paying him from Feb. 1 or what

Mayor Pro Tem Miller said NO because he wasn't voted in on Feb. 1

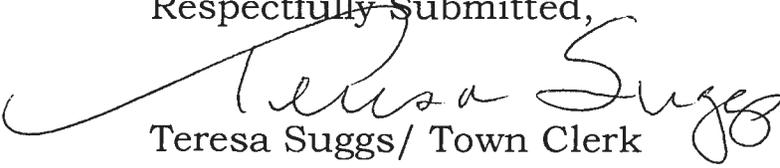

Mayor Pro Tem Miller said that he wanted to let the record show that Council had made a mistake and now we have corrected it and as far as I can see we can adjourn

Councilman Tom Jennings made the Motion to Adjourn

Councilwoman Amy Bryant seconded the Motion

Motion Carried and meeting adjourned

Respectfully Submitted,

Teresa Suggs/ Town Clerk
